Foreword

This is the Education Tribunal for Wales's ninth annual report on its compliance with the Welsh Language Standards since the standards came into force on 30 March 2017. The focus of this report is the period from 1 April 2024 to 31 March 2025.

The Special Educational Needs Tribunal for Wales (SENTW) changed its name to the Education Tribunal for Wales in September 2021. However, for the purposes of the Welsh Language Standards the Tribunal will follow the same standards as set for SENTW.

The Tribunal has two parts, the secretariat and Judicial Office Holders. Both work together, during the appeal and claim process doing different tasks. Judicial Office Holders consist of:

- the Tribunal President i.e. the judicial lead;
- Tribunal Judges; and
- Specialist Members, with experience of children and young people with Additional Learning Needs (ALN) and/or disabilities.

Judicial Office Holders are independent from Welsh Government. This means that their decisions cannot be influenced by anyone in Government or employed by the Government. The Tribunal membership consists of 14 Judges and 15 Specialist Members. Of these the tribunal has 7 Judicial Office Holders (4 Judges, 3 Specialist Members) with strong Welsh language skills and can convene a full panel (i.e. a Judge and 2 Specialist Members) that can hear and conduct a full hearing through the medium of Welsh.

The secretariat deal with all telephone and written enquiries. They are civil servants employed by Welsh Government and form part of the Welsh Tribunals Unit, who are responsible for administering six devolved tribunals across Wales. The secretariat provides an administrative support role and cannot influence the decision made by the tribunal panel. The secretariat team has no members who are fluent in Welsh, but they can have assistance from other secretariats within the wider Welsh Tribunals Unit, when necessary. The Senior Operations Manager and the Head of Welsh Tribunals are fluent Welsh speakers.

Compliance Oversight Arrangements

This Annual Report has been prepared by the Welsh Tribunals Unit and has been approved by the President of the Education Tribunal for Wales.

This annual report appears on the Tribunal's website and the Welsh Language Commissioner has been notified of its publication.

Status of the Compliance Notice for an organisation which has changed its name

On the 31 March 2022, the Tribunal's President received a letter from the Deputy Welsh Language Commissioner confirming the status of the compliance notice for the Education Tribunal for Wales (the Tribunal), following a change in name from the Special Educational Needs Tribunal (SENTW).

The letter stated that as there has only been a change of name in this case, and as the functions of the Tribunal remain very similar to the previous tribunal, no further action is required. The compliance notice issued for SENTW remains in operation for the Tribunal. Considering an organisation which changes its name after receiving its compliance notice under section 44 of the Welsh Language (Wales) Measure 2011 (Measure), a change of name of a person specified in Schedule 6 or Schedule 8 does not affect the implementation of the Measure in relation to that person.

Compliance Assessment

Service Delivery Standards

The tribunal ensures compliance with the service delivery standards by:

- The production of a new bilingual brand to accompany the new tribunal name.
- Providing staff with guidelines on responding to correspondence, telephone answering and e-mail messages.
- Letter templates offering Tribunal users an opportunity to receive correspondence in Welsh. Letters and emails from the Tribunal also include a standard sentence stating that correspondence is welcomed in Welsh, and that corresponding in Welsh will not lead to a delay.
- All documents produced for the public are available in Welsh and English, including application forms and guidance documents English versions of documents and forms produced by the Tribunal also include a standard sentence stating that they are available in Welsh, and that the public can submit information to the Tribunal in Welsh.

- From March 2024, a new language preference question has been included within forms with a second non-mandatory question asking “If you can speak Welsh and have indicated English as your language of choice, we would welcome feedback to identify the barriers to using the Welsh language in Tribunals”.
- Making sure there is an awareness that provision is in place to enable Welsh language hearings to be held and that an attendee can use Welsh in a hearing.
- Every page of our website is available in Welsh and English.
- The Welsh Government uses a telephone system through Microsoft Teams. The Tribunal uses this system to ensure that it complies with standards 8 and 9 by ensuring that Tribunal users will have the option of pressing 1 to speak with a member of the team in Welsh and pressing 2 to speak with a member of the team in English.
